

The following URBAN amendment is requested for July 2017:

WSDOT – SC US 395/BNSF & UP Railroad & Canal Bridges – Joint Repair

STIP ID# 539504U03; Adding National Highway Performance Program (NHPP) funding of \$544,659 for expansion joint and strip seal replacement – Bridge 395/14E & 395/14W. The bridge points on the US 395 BNSF & UP Railroad and Canal bridges in Kennewick are deteriorated and need to be repaired. This project will replace the existing expansion point headers and strip seals to provide a smoother ride and preserve structural integrity of the bridges.
