Phase	Year			
	2020	2021	2022	2023
Planning (PL)				
Preliminary Engineering (PE)				
Right-of-Way (ROW)				
Construction (CN)				

### Cost Summary

Fill in the table below to show the funding of the project:

Phase	Funding Requested	Other Funds	Total
Planning (PL)			
Preliminary Engineering (PE)			
Right-of-Way (ROW)			
Construction (CN)			

### Funding Source(s)

Check the box for eligible funding sources sought:

- STBG
- HIP

Indicate the sources(s) of other funds listed above:

## **BFCG 2020 – 2023 Call for Projects Urban Large Project Application Projects Eligible for STBG/HIP**

### **System Preservation and Improvement**

Describe below how the project preserves existing facilities and networks and helps obtain performance measure targets for pavement and bridges:

Describe below how the project improves existing facilities and networks:

### **Safety**

Describe below how the project reduces the frequency and/or severity of roadway crashes and helps obtain safety performance measure targets:

## **Freight Movement and Economic Vitality**

Describe below how the project provides access to existing/new economic opportunities:

Describe below how the project improves the movement of goods through the regional transportation network:

## **Mobility and Connectivity**

Describe below how the project improves multi-modal transportation including serving multiple modes on a facility or improving connection between modes:

### **Mobility and Connectivity (continued)**

Describe below how the project improves connection of employment/activity centers to population centers:

### **Congestion**

Describe how the project reduces the amount of congestion on the regional transportation network including how the project relates to the congested corridors identified in the Congestion Management Process (CMP):

### **Regional Benefit**

Describe how the project provides benefit to the overall region:

*Benton-Franklin Council of Governments  
Tri-Cities Metropolitan Planning Organization  
Benton-Franklin Regional Transportation Planning Organization*

## **Project Readiness**

Describe the project readiness and likelihood of the project meeting the proposed schedule including the status of PE, ROW, other funding sources, and the agency's capacity approach to delivering the project:

**Please contact BFCG staff with any questions or needed clarifications at (509) 943-9185.**
